Surrey CHRISTMAS Bureau **ADOPT-A-FAMILY**

Last holiday season I adopted a family through this program and found it to be very rewarding. Now I want to help make more people aware of the Adopt-A-Family program.

- Surrey Christmas Bureau is looking for 1,000 people/families/teams/organizations/clubs to sponsor families this year
- Sponsors take on the responsibility of providing a food hamper containing three meals for Christmas Day as well as stocking and 2-3 gifts for each child
- Sponsors get to make the delivery and are rewarded with making a family's Christmas extra special
